Straight Construction Corporation,

NEW YORK, 17, NY.,
U.S.A.

Dear Colonel Elyachar,

Thank you for your letter of September 26th. I was happy to hear of your continuing interest in our problems of education. Regarding the question of special studies for Sepharadi soldiers, I understand that the army in co-operation with the Ministry of Education is planning a course of this nature for some 120 soldiers in the forthcoming academic year.

I will have a copy of your letter sent to the Ministry of Education with whom I know you are in close contact on this project. The Minister of Education has advised me that you are planning a joint project with them in this programme. I would like to take this opportunity to tell you that personally, I see this project as one of the important facets of our entire vital education programme.

With best wishes,

Yours sincerely,

Sgd: Levi Eshkol.
