Gentlemen:

This is just a short note to express sympathy and shock at the death of your Premier, Mr. Levi Eshkol.

The news articles, of course, are not clear as to the circumstances. We here are hopeful that somehow a Middle East peace formula can be accomplished. There must be a way where "right" can prevail along with justice.

I am looking forward to seeing you some time in the not too distant future. Please express my best wishes to your colleagues.

Respectfully yours,

THERMOTRON CORPORATION
